

The Verden Group

Legal Consulting Services

The Verden Group is pleased to announce the addition of **legal services** to its consulting firm. As one of the most trusted companies in healthcare, The Verden Group's addition of an in-house lawyer to the team is the ideal solution for providers, practices and facilities that need a unified approach to consulting and legal services. The Legal Services division combines affordable rates with accessibility to Verden's extensive expertise in consulting, analytics and provider advocacy.
